How do I vote my ballot?

Follow all the voting instructions shown on your ballot. After you have marked all your voting choices and finished voting:

1. Refold your ballot along the original fold lines.
2. Do not remove the ballot stub.
3. Place your voted ballot in this Secrecy Sleeve.
4. Place the Secrecy Sleeve (with voted ballot) into the official Return Envelope.
5. You must sign the affidavit on the envelope.
6. Do not sign, initial, or print your name on the ballot.

Only one voter's ballot is permitted in your official Return Envelope.

If more than one ballot is placed in your official Return Envelope, none of the ballots will be counted.

By law, your signature is required on the AFFIDAVIT OF VOTER (located on the back of the official Return Envelope). If you do not sign the affidavit, your ballot will not be counted.

All ballots are counted in the same manner.
